MONACO YACHT SHOW 2018

The Yacht Investor Days hosted in Monaco during the 2018 Monaco Yacht Show (MYS) have been a huge success. Following the positive outcome of our previous events in Dubai, Singapore, London and Monaco, Investor Media hosted a further two days of events in partnership with 39 Monte-Carlo Private Club and Edmiston. Our valued sponsors gathered together with Family Offices and UHNWI's representatives from all over Europe to network during the MYS.

Three events spread over two days were kicked off with a Business Champagne Breakfast at 39 Monte-Carlo attended by 75 guests followed by visits to a selection of majestic superyachts displayed at the MYS. The second event was onboard the newly launched Baglietto 48mt T-Line "Silver Fox", in partnership with Edmiston, for a Private Evening Soirée with the MYS at night as the setting. The third, once again at 39 Monte-Carlo, was the Jazz and Champagne Business Networking Party to end the Yacht Investor Days in style. More than 400

individuals attended across the three events. These events also marked the opportunity to officially launch two new and exciting Investor Media publications: Yacht Investor Business and Luxury Plus, alongside the latest issues of the already well-known Yacht Investor and Family Office Investor.

Investor Media would like to thank all the event partners and shareholders for making the Yacht Investor Days 2018 at the MYS such a huge success. And to all of our guests, we thank you for the trust you place in our activities, and the support you show for our publications. Our next event will be held in London on the 6th of December.

Looking to the future, events for 2019 are already scheduled for Dubai in February during Dubai International Boat Show; Singapore in April during the Singapore Yacht Show; Monaco, in June and September at the MYS, and of course two events in London in May and December.
